### The Pinot Noir

The deep garnet color of this wine immediately attracts the eye. Juicy cherry with hints of plum pop from the glass along with a breath of roses and vanilla on the nose. Silky caramel, dark cherry, strawberry and vanilla mingle on the palate with a luxurious mouthfeel while wild berries and a delicate earthiness grace the finish. Delicious tonight, or enjoy to its fullest over the next 4-5 years.

### The Story

Owners Jeff and Judy James, along with their two sons who are 4<sup>th</sup> generation Sonoma County agriculturalists, founded James Family Cellars. James Family Cellars is a family-owned boutique winery that is dedicated to the production of artisanal wines that showcase the world-class grapes that they grow. Jeff and Judy planted their vineyard in 1998. They have been selling grapes for many years to premium wineries in Sonoma and Napa Counties. After winning several awards for the amateur wines they produced from their grapes, they decided in 2007 to follow their dreams and start James Family Cellars. Jeff and Judy are committed to producing the highest quality wine possible, which is reflected in the limited number of cases released.

### The Vineyard

Stony Point Vineyard is located in a particularly cool area of the famed Sonoma Coast wine growing region. Situated on the northern edge of the Petaluma Wind Gap and less than sixteen miles from the coastline the vines are influenced by the Pacific Ocean daily. This cool climate, combined with the sun exposure provided by the southern-facing hillside vineyard, creates a low-yielding slow-ripening environment that is perfect for Pinot Noir.
